PAYMENT

Bills for service rendered hereunder are payable on or before the past due date, which is intended to be no less than fourteen (14) days from date the bill is rendered. Bills not paid within such period shall be considered as delinquent, and subject to service charges as set forth in the Utility's rules and regulations.

TAX PROVISIONS

In the event any privilege, license, franchise, use, occupational, or other similar tax is imposed upon the Utility by any governmental authority, either Federal, State, or local, in excess of those in effect on October 1, 2005, there shall be added to the above rates and charges an amount calculated on a pro-rata basis sufficient to recover any such tax or taxes.

GENERAL

The amount calculated at the above rate will be increased or decreased under the provisions of the Utility's Rate "ECA" (Energy Cost Adjustment) by applying the effective Energy Cost Adjustment factor.

This rate schedule supercedes and replaces Rate Classification "600" Seventh Revised Sheet dated November 1, 2007, and applies to all billing rendered for retail electric residential service on or after March 1, 2012, and shall continue from month to month until rescinded.

TERM OF CONTRACT

Service under this classification shall be for an initial period of one (1) year, and thereafter from month to month until terminated by proper notice.
