(This insures we have proper information on your bank account)

I hereby authorize Riviera Utilities to initiate debit entries, or such adjusting entries, (debit or credit) which are necessary for corrections to my bank account indicated above. I further authorize Riviera Utilities to issue, sign, and present an automated clearing house draft on my bank account for payment of bills rendered by Riviera Utilities. I understand that these drafts will be processed approximately twenty (20) days after the rendered date of the utility bill. I also understand that I must notify Riviera Utilities promptly upon receipt of any dispute regarding the amount of my bill. This authority is to remain in effect until Riviera Utilities has received written notification from me of its termination in such time and manner as to afford Riviera Utilities a reasonable opportunity to act on it.

In consideration of this service to the extent permitted by applicable law, I hereby release and hold harmless Riviera Utilities for all claims of liability with respect to the debit of my account. In no event will Riviera Utilities be liable for the acts or omissions of others, including the bank and clearing houses which receive and transmit the debit instructions.

I understand Riviera Utilities may impose a processing fee if the draft is not paid by my bank due to insufficient funds, the account being closed, or any other valid reason. Riviera Utilities retains the right to discontinue the remitting of said draft. This authorization will be in effect until either party gives written notice to the other of termination.
