

# PUBLIC POWER & PUBLIC NATURAL GAS WEEK 2025

We're bringing the party to you! Celebrate Public Power & Public Natural Gas Week with us the first full week of October.

Everyone is invited! We're honoring our customers and employees while sharing the value public utilities bring to our community. As your locally owned, not-for-profit utility, we're proud to deliver dependable, affordable services, and reinvest right here in Baldwin County.

Catch us at your local ballpark for hotdogs, popcorn, prizes, and a Touch-A-Truck display by our amazing employees! Connect with the folks who power your community and learn more about what it takes to stay in the game.
