## UNMETERED OUTDOOR LIGHTING SERVICE

CLASSIFICATION	DATE APPROVED	EFFECTIVE DATE	REVISION	PAGE
"612"	11/14/17	12/1/17	Ninth	1 of 2

### AVAILABILITY

This rate is available for outdoor lighting when service can be established directly from the existing secondary distribution lines of the Utility.

### CHARACTER OF SERVICE

Dusk to dawn unmetered service is covered by the charges set forth below, which also cover initial installation of overhead lines, poles (where applicable), fixture assembly including four foot mounting hardware for standard luminaires and two foot mounting hardware for flood lights, and maintenance including lamp replacements due to burn outs. Such charges do not cover replacement of lamps, luminaires, brackets or overhead lines which are damaged or destroyed by vandalism or any other cause beyond the Utility's control. Facilities damaged or destroyed under such circumstances will be replaced by the Utility at the Consumer's expense. Lamp renewals and required maintenance will be performed only during regular daytime working hours as soon as practical after notification by the Consumer of the necessity.

### MINIMUM MONTHLY BILL

The minimum monthly bill shall be the monthly bill calculated on the above monthly rates for luminaires served directly from existing overhead secondary lines plus;

1.25% of the cost of any additional facilities required, provided that such charge shall not be less than \$1.00. Any underground facilities, including their costs, will be covered as an up-front charge according to the Utility's standard policies on underground installations.

### PAYMENT

Bills for service rendered hereunder are payable on or before the past due date, which is intended to be no less than twenty (20) days from date the bill is rendered. Bills not paid within such period shall be considered as delinquent, and subject to service charges as set forth in the Utility's rules and regulations.

### TAX PROVISIONS

In the event any privilege, license, franchise, use, occupational, or other similar tax is imposed upon the Utility by any governmental authority, either Federal, State, or local, in excess of those in effect on October 1, 2005, there shall be added to the above rates and charges an amount calculated on a pro-rata basis sufficient to recover any such tax or taxes.

### GENERAL

This rate schedule supersedes and replaces Rate Classification "612" Eighth Revised Sheet dated October 1, 2013, and applies to all billing rendered for unmetered outdoor lighting service on or after December 1, 2017, and shall continue from month to month until rescinded.

### TERM OF CONTRACT

Contracts for service under this Rate shall be for a minimum period of two (2) years and thereafter extended from year to year unless terminated by written notice from the Consumer sixty (60) days or more prior to the expiration of the initial period of any subsequent anniversary date of the contract.
