

UNMETERED DECORATIVE OUTDOOR LIGHTING SERVICE

CLASSIFICATION	DATE APPROVED	EFFECTIVE DATE	REVISION	PAGE
"615"	12/21/2021	4/1/2022	Fourth	1 of 3

AVAILABILITY

This rate is available for outdoor lighting when service can be established directly from the existing secondary distribution lines of the Utility.

CHARACTER OF SERVICE

Dusk to dawn unmetered service is covered by the charges set forth below, which also cover initial installation of the luminary, pole and maintenance including lamp replacements due to burn outs. Such charges do not cover replacement of lamps, luminaires or standards which are damaged or destroyed by vandalism or any other cause beyond the Utility's control. Facilities damaged or destroyed under such circumstances will be replaced by the Utility at the Consumer's expense. Lamp renewals and required maintenance will be performed only during regular daytime working hours as soon as practical after notification by the Consumer of the necessity.

The above rates are for the luminary and pole only. The underground circuits and wiring system for unmetered lighting installed after October 1, 2013 shall be owned and maintained by the Utility, and installed according to the Utility's standard policies for underground installations. The costs for installation of such underground circuits will be payable in advance in accordance with said standard policies, unless otherwise agreed to by the Utility.

In the event a pole must be set in an existing concrete or asphalt paved area, the Customer shall be responsible for removing an adequate section of paving so the Utility can set the pole, and the Customer shall be responsible for replacing the pavement or concrete after the pole is set.

PAYMENT

Bills for service rendered hereunder are payable on or before the past due date, which is intended to be no less than twenty (20) days from date the bill is rendered. Bills not paid within such period shall be considered as delinquent, and subject to service charges as set forth in the Utility's rules and regulations.

TAX PROVISIONS

In the event any privilege, license, franchise, use, occupational, or other similar tax is imposed upon the Utility by any governmental authority, either Federal, State, or local, in excess of those in effect on October 1, 2005, there shall be added to the above rates and charges an amount calculated on a pro-rata basis sufficient to recover any such tax or taxes.

GENERAL

This rate schedule supersedes and replaces Rate Classification "615" Third Revised Sheet dated January 1, 2016, and applies to all billing rendered for unmetered outdoor lighting service on or after April 1, 2022, and shall continue from month to month until rescinded.
